SPECIAL THANKS

As 2004 comes to an end the Members of ERS would like to take this opportunity to thank everyone who supported us during the year. We strive always to be the best we can be, but in those instances when we come up a bit short we ask for your understanding, patience and constructive feedback that will enable us to improve on our shortcomings and maintain our strengths. After all, we are human with all the flaws and

imperfections associated with the race. However, we assure you that any perceived offensive act or behavior, committed by ERS or one of its Members, is not intentional and is primarily a momentary lapse of better judgment. To all those we may have offended, and those that are yet to be offended, we humbly ask for your understanding, patience, and constructive feedback. Overall we believe that our total body of positive relationships will tremendously outweigh the few indiscretions we have and will commit. With that in mind, we are forever thankful to the following individuals, organizations and companies for their continued support and guidance:

- Ramiro Garcia
- Shawnie Dowd & Rhonda Celeste
- Avril Puckerin & Family
- Anthony & Lucy Sealy
- Sabrina Mainini
- Debra Sutherland & Family
- Carl Smith & Branches Steel Orchestra
- Martin Waite & The Sound Inc Family
- Boston Rhythm Section, aka "Soca Boys & Girls"
- Russ Hart & Liz Girvin
- Stoneham Ford
- T's Pub
- Michael Pelosi & The Night Games Crew

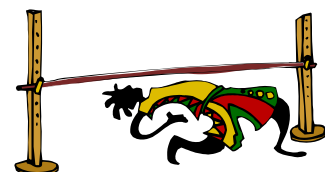

This list is by no means all-inclusive of all the folks that have played a positive roll in our success in 2004, but the names of the folks who are not mentioned here can rest assured that we will make it up to them in 2005.

Happy New Year and stay positive...Peace, Guidance & Jah Bless.
